Superior Psychiatric Services Website Medical Disclaimer:

THIS WEBSITE DOES NOT PROVIDE MEDICAL ADVICE.

Responsible use of this website:

The information provided or promised by this website has been made available to you by Alexis Meshi, MD, as an overview and general guide to psychiatry and therapy and Dr. Meshi's private practice, Superior Psychiatric Services, P.C. In no way should the SuperiorPsychiatric.com website be considered as offering therapeutic, psychological or medical advice. Dr. Meshi provides this site for informational purposes only and it is not intended to be a substitute for a health care provider's consultation.

The purpose of the content is to educate and inform. Psychiatric diagnosis and treatment are a part of the rapidly evolving field of medicine. It is therefore quite possible for some or all of the information on this website to be outdated. Under no circumstances is any information on this website meant to replace the expert care and advice of a qualified professional, as rapid advances in medicine may cause information to become outdated, invalid or subject to debate. NEVER DISREGARD MEDICAL ADVICE OR DELAY IN SEEKING IT BECAUSE OF SOMETHING YOU HAVE READ ON THIS WEBSITE. NEVER RELY ON INFORMATION ON THIS WEBSITE IN PLACE OF SEEKING PROFESSIONAL MEDICAL ADVICE. You should always contact Superior Psychiatric Services directly, or at least another qualified medical practitioner, for further information and for comprehensive advice.

None of the information on this Superior Psychiatric website should be relied on to suggest a course of treatment for any particular individual. This website should not be used in place of a visit, call, consultation or the advice of your qualified health care provider. Information contained in this website is not complete and does not cover all conditions, disorders or their treatment.

Whenever you have any health care related questions, you should please call or see your qualified health care provider promptly, and always consult with your qualified health care provider before embarking on a new treatment.

The information on this website is provided "as is" without any representations or warranties, express or implied. SuperiorPsychiatric.com and the owner of this website do not assume any liability for the contents of any material provided either directly, indirectly, consequentially, exemplary, or for any other damages arising from acting or failing to act on any information obtained from any source, including this SuperiorPsychiatric.com website.

Links and affiliates on SuperiorPsychiatric.com:

Certain links and/or other informational feed (such as comments posted in the Blog section) throughout SuperiorPsychiatric.com lead to sources maintained by third parties over whom SuperiorPsychiatric.com has no control. Both SuperiorPsychiatric.com and Dr. Meshi make no representations or warranties as to the accuracy of, or any other aspect relating to those resources and the content within. Both SuperiorPsychiatric.com and Dr. Meshi assume no responsibility for how information, products and books presented are used and cannot, and therefore do not, warrant or guarantee the content, accuracy or veracity of any linked sites.

Blog Discussion Forum:

Our Blog is a public forum, which means everyone can read your comments and questions you post to the Blog. Remember that discussions in our Blog are open to anyone. Please do not mention anything which could embarrass you. More importantly, please respect the confidentiality of others. Discussing personal medical details of, as example, your partner without his or her knowledge and agreement would breach their confidentiality in the same way as a health professional discussing a patient in public.

Statements made in website e-mails and Blog forum reflect only the views of their authors, and those authors or forum moderators (if any) should not be considered authorized spokespersons for Dr. Meshi or Superior Psychiatric Services. Further, no communications among forum participants should be considered as medical or psychological advice. No liability is assumed for the accuracy or outcomes of any suggestions, advice or other information provided by those posting on the SuperiorPsychiatric.com website Blog/forum. Any stated or implied credentials of a forum participant/commenter should be confirmed.

Anyone can join these Blog discussions and represent themselves as having qualifications and credentials they do not have, or being someone they are not. **THIS SUPERIORPSYCHIATRIC.COM WEBSITE BLOG DOES NOT REPLACE THE NEED FOR YOU TO VISIT WITH YOUR DOCTOR!** All treatment decisions should only be made after discussion with your personal health professional, and no changes in your treatments or diet should be made based on any information found on this site.
